Water Purveyors Roundtable

Stakeholder opportunity to share projects/challenges/successes info

- Group Discussion

CBSWC WaterSMART Grant Activity

- Technical Project Update with Ben Lee, Landau Associates
- Organizational Update with Sara Higgins, CBDL

Wrap Up

12:00pm Adjourn

The Columbia Basin Sustainable Water Coalition, a group of water purveyors and other municipal and small community water system stakeholders, was formed in 2018 to address Columbia Basin domestic groundwater supply issues and create locally-driven recommendations that influence water delivery methods and policy that will direct resources for long-term groundwater solutions.
