➤ Project Updates

11:00 am Mid-Columbia Basin Drought Preparedness Plan

➤ Lincoln County Conservation District has received a grant from the Washington State Department of Ecology to prepare a Drought Preparedness Plan for the FLAG county area. The Plan will identify drought risks and drought mitigation projects. The intent of the plan is to serve as a foundational document for communities in the FLAG counties to secure funding, when available, for drought mitigation project implementation. Community outreach is an emphasis of the project scope. The Plan will be completed by February 2027.

➤ Presentation by Sarah Weeks, LHg (Landau Associates) and Brean Nieman (Lincoln County Conservation District)
